WHY CHOOSE PIONEER FAMILY POOLS?

In 1965, when Pioneer Family Pools began, we knew our commitment to serving customers would go beyond the installation of a swimming pool. More than five decades in the leisure industry has provided us with unparalleled knowledge and a broader understanding of customer wants and needs. We are continually improving our product offerings and acknowledging new and innovative ways to serve you better.

We are proud to be a Canadian owned and operated business with over 19 locations all over Southern Ontario. We offer the largest variety of outdoor leisure products from world-renowned industry vendors. These products are backed by the best warranties with dedicated sales and service staff for your convenience. Our mission is to bring the best pool ownership experience to you and your family. We guarantee competitively priced, well-valued products in some of the largest pool retail facilities in Ontario.

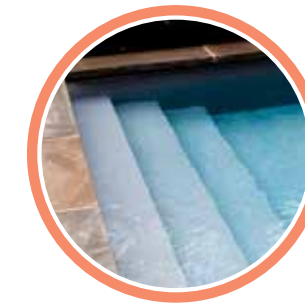

At Pioneer, we understand that our customers are the foundation of our business. Over 60,000 customers have chosen Pioneer Family Pools to create their personalized backyard retreat. Many of our clients chose Pioneer because of a friend or family referral, based on their own positive buying experience.

So make a splash this season! Give us the opportunity to help you build your dream backyard. With in-house service and the best sales staff in the industry, we hope that you will consider us in making your dream a reality.

NEVER TREATED US AS 'JUST A CUSTOMER'

"I just want to thank Dale and Chris for the fantastic support we get on a continuous basis. It has been 5 years since we have bought our pool and hot tub and every time we see them they come over and check on how the pool and hot tub are doing as well as how our family is doing. They have never treated us as 'just a customer!'"

GREAT JOB!

"Hi Mike! Great job!! A+++++! Mom is very pleased but let me tell you it was difficult keeping her in the house!!! She wanted to get her little paws right in there to help the guys out! What a firecracker she is. All is good and she really likes the way everything looks. Now she's reorganizing some shrubs and plants etc. Hope you're enjoying Canada Day with your family."

THANKS SO MUCH!

"Everything is great... Don's crew are great, tidy and very hard working guys!!! He also did a great job in cutting my concrete deck very artistically. Thanks so much. My neighbours are really impressed. It truly was a pleasure dealing with you and Pioneer... I will contact you in the spring for opening and instructions."

...AWESOME, AWESOME, AWESOME!

"Hello Chris and Don, Just a quick thank you - I came home Friday evening from Croatia. I walked in the house, threw on my bathing suit and jumped in our new swimming pool. My kids screamed "Daddy's HOME!" What a great feeling after such a long flight. So far 3 days of swimming with Petra and the kids....Awesome, Awesome, Awesome. You guys did an excellent job monitoring the progress and construction of the pool and associated services like the electrical, gas, fence, and concrete. Basically the entire backyard project while we were away in Cuba. Cody came over on Sunday and provided the "Pool School" training. He was very thorough and we hope we retained everything. Once again thank you guys very much."

CHRIS, STONEY CREEK

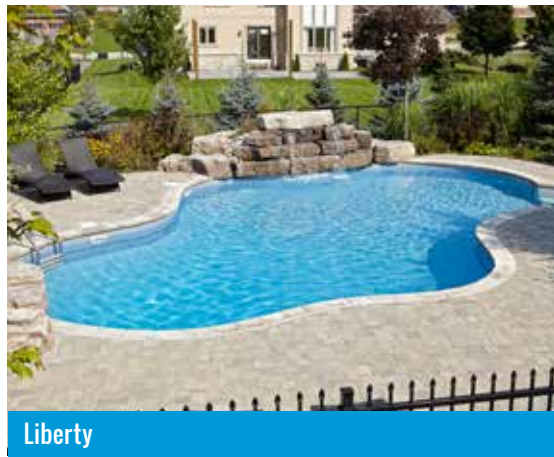

Installing a pool is an exciting time. From start to finish, we have over 50 years of experience helping families get the backyard of their dreams.

ANY SHAPE AND SIZE THE CHOICE IS YOURS

Choose a shape or design that's completely your own! With Pioneer Family Pools you are only limited by your imagination. Talk to your dealer about custom pool concepts.

LINER AND COPING OPTIONS

NEARLY 100 LINER PATTERNS TO CHOOSE FROM

Our vinyl liner selection is one of the largest in the business. Each is made of a durable vinyl treated to inhibit bacteria growth and backed by a 25 year warranty.

Pick Up Our 2016 Vinyl Liner Guide In Store

BULLNOSE COPING

The perfect finishing touch for your swimming pool deck. Our Bullnose Coping compliments the lines of interlocking concrete or poured concrete surfaces. Available in white and grey.

White Bullnose Coping

Grey Bullnose Coping

Cantilever Coping

CANTILEVER COPING

Our cantilever coping is made from the finest extruded aluminum. The concrete deck is then poured on top of the flat track coping and over the swimming pool edge.

STEP OPTIONS

THERMOPLASTIC STAIRS

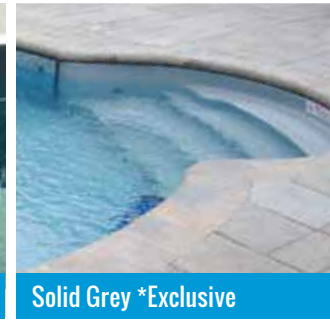

Our thermoplastic steps are built with a strong, one-piece design that will never delaminate, splinter, corrode or puncture.

CREATE YOUR OASIS

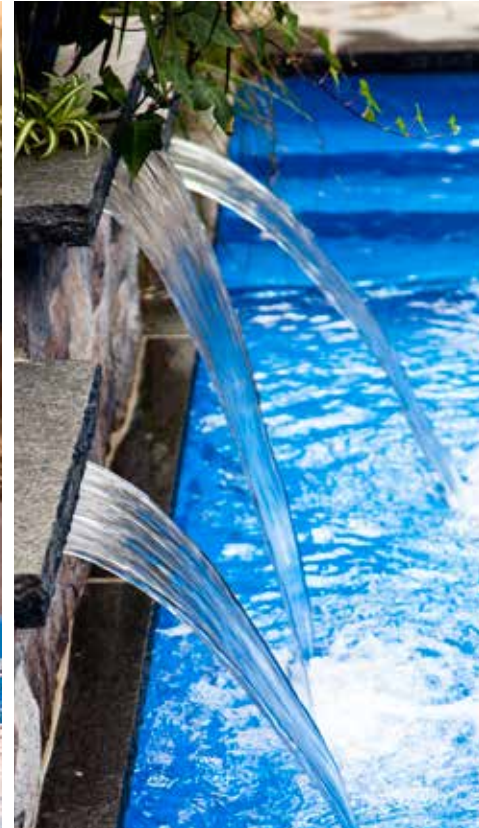

DECK JETS

Jandy Deck Jets create a beautiful arc of shimmering water from the deck to the pool. The Deck Jets can be installed in almost any combination.

LAMINAR JETS

Jandy Laminar Jets with LED produce clear or illuminated arcs of water as they silently enter your pool. Laminar Jets with LED create spectacular backyard water entertainment with dazzling nighttime effects.

SHEER DESCENT®

Sheer Descent® waterfalls produce a clear arc of water that can be adjusted from a silent, glass-like sheet of water to a rushing mountain waterfall.

ROCK WATERFALL

Every rock waterfall is unique. The idea is to bring the natural effects of a serene waterfall from nature to your backyard.

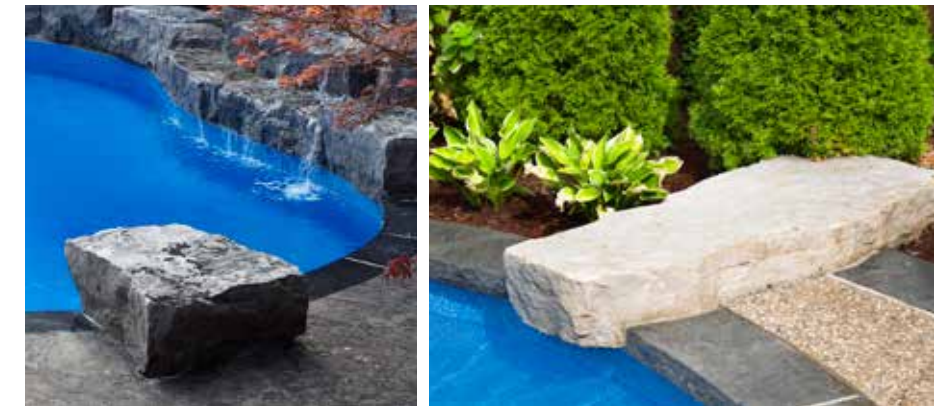

POOL LIGHTING

Create a dazzling pool experience with lighting. Create a backyard ambiance that is uniquely you.

JUMP ROCK

Add a fun and interesting new element to your pool! The natural stone jump platform will enhance the appearance of any poolscape.

SPILLOVER SPAS

Soak in the soothing water of your spill-over spa. Choose one of our spill-over spas with slip resistant steps and a durable fiberglass-coated acrylic shell.

Our Versa Plumb System reduces hydraulic resistance by up to 50% versus other equipment pads. This allows for up to a 1/2 HP smaller pump to achieve the same level of flow, resulting in greater energy savings.

JXi™ GAS HEATER

The JXi heater sets a new standard in pool heating technology with its ultra-compact size, high efficiency, and user-friendly digital control panel.

NATURE2® FUSION MINERAL PURIFIER

The Nature2 Fusion system is a chlorine and mineral sanitizing system. By combining patented Nature2 mineral technology with an automatic chlorine tab feeder, the water is noticeably cleaner, clearer, and softer. Nature2 is a natural supplement to chlorine. It helps maximize chlorine efficiency, while reducing the unpleasant effects of excessive chemical use.

CV CARTRIDGE FILTER

The CV Cartridge Filter is constructed with durable, corrosion resistant, heavy duty polymeric materials for long standing performance. The CV Filter is offered in a choice of 340, 460, and 580 square foot size options. Also available in CS 250, for smaller applications.

FLOPRO™ PUMP

The FloPro Pump is equipped with an ergonomic cam-lock lid for easy alignment and strainer basket cleaning. Available in a size to suit your pool. The FloPro is also energy efficient while uncompromising it's power to recirculate the pool water.

Jandy®
Pro/Series

OPTIONS TO FIT YOUR LIFESTYLE

PDA

The AquaLink PDA packs a powerful pool and spa control system with wireless control of up to eight auxiliaries into an easy to use, compact, water resistant handheld remote.

3010WD

The Zodiac 3510WD Robotic cleaner takes robotic pool cleaning to the next level as it boasts Zodiac Vortex technology for powerful and constant cyclonic suction throughout the cleaning cycle.

T5 POOL CLEANER

The T5 utilizes the reliable Dura Life Diaphragm with one moving part to ensure a long lasting and easy to maintain cleaner. The Dura Life Diaphragm provides maximum durability and silent operation.

ULTRA UV™

The Ultra UV chamber and the UV-C lamp immediately inactivates 99.9% of micro-organisms such as Crypto, Giardia and algae which are resistant to chlorine. This provides a cleaner, clearer swimming environment with zero harmful by-products.

IAQUALINK®

iAquaLink allows you to control your pool anytime, anywhere. Using our free app for your smart phone or web-connected device, you can control all the elements of your pool or pool/spa system, even when you're on the go.

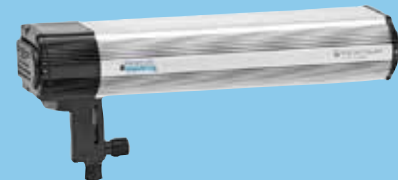

FUSION SOFT

The Nature2 Fusion Soft system is an all-in-one salt water sanitation system. The Fusion Soft combines all of the benefits of the Nature2 Cartridge with the convenience and performance of an automatic salt water sanitizer.

OZONE

Use of ozone reduces the demand for pool chemicals by up to 60% and allows chlorine to work more effectively. Ozone actively breaks down waste products which can combine with chlorine to form unhealthy by-products that can irritate skin and have been linked to asthma and other ailments.

VARIABLE SPEED FLOPRO PUMP

The VS FloPro is designed with an innovative adjustable base, allowing for simple installation for new construction. The VS FloPro is designed to be operated at energy saving lower speeds for maximum efficiency.

COVER OPTIONS PROTECT YOUR INVESTMENT

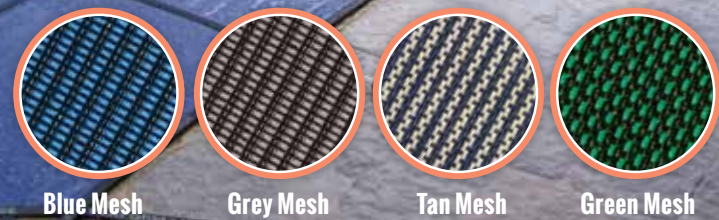

SAFETY COVER

We designed the Safety Cover to protect both your pool and your family. Our pool covers are manufactured to your specific pool size and shape. Properly installed, the Safety Cover will help prevent accidental intrusion by children and pets.

BIOSHADE COLOURS

LOCK-IN WINTER COVER

Our form-fitted winter cover snaps into your Performance coping with ease, securing the entire circumference of your pool. There is no contact with the deck surface, so staining is impossible. The nonporous cover keeps your water sparkling all winter long. Your pool looks like a pool should all year long!

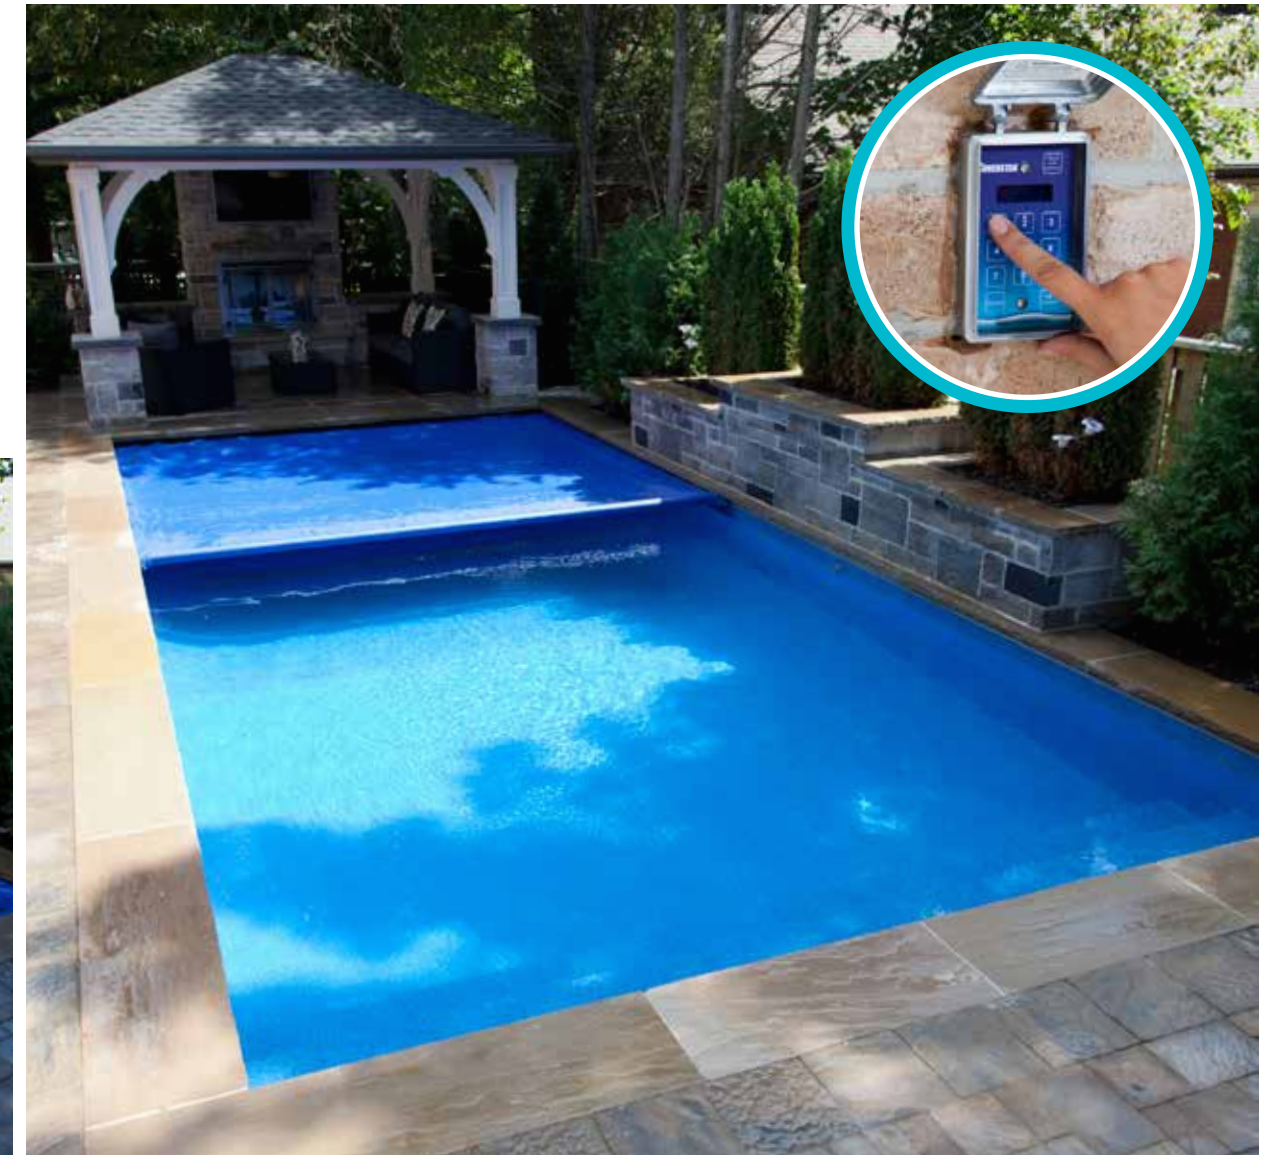

INNOVATION, PERFORMANCE, RELIABILITY

AUTO COVER

Automatic pool covers are designed to ensure a safe and secure backyard experience for your family and friends and yet they are more than just a safety cover. With an automatic cover; heat loss, chemical use and cleaning time are all reduced, helping to lessen the environmental impact a pool can have, while increasing the convenience and enjoyment your pool was meant to bring.

- 13 Premier Z-700 (G-235) galvanized steel wall panel
- 14 3/8" reinforcing stakes

STEP DECK SUPPORT SYSTEM

One-piece molded thermoplastic grid system supports the entire tread surface and prevents material fatigue of your pool stairs.

BEST WARRANTY IN THE BUSINESS

POOL WALL STRUCTURES

Your Pioneer Family Pools Dealer guarantees that the entire wall and supporting structure of all Pioneer Inground Pools are free from manufacturing defects and will perform satisfactorily for as long as the original purchaser owns the pool.

INGROUND POOL COPING

Your Pioneer Family Pools Dealer guarantees that the coping on all Pioneer Inground Pools are free from manufacturing defects and will perform satisfactorily for as long as the original purchaser owns the pool.

CONCRETE POOL BOTTOMS

All concrete bottoms installed by Pioneer Family Pools are guaranteed to be free from defects in material and workmanship and will perform satisfactorily under normal ground conditions for as long as the original purchaser owns the pool.

UNDERGROUND PLUMBING

All underground plumbing in your Pioneer Inground Pool is guaranteed not to leak under normal operating conditions for as long as the original purchaser owns the pool and provided Pioneer winterizes the pool.

CONCRETE POOL DECKS

The engineered perimeter deck installed by your Pioneer Family Pools Dealer is guaranteed to be free of settlement and to remain tight against the coping for as long as the original purchaser owns the pool. Due to the inherent nature of concrete, cracking can occur due to climatic conditions and is considered normal and is not covered by this warranty.

EXTENDED EQUIPMENT WARRANTY*

Your Pioneer Family Pools Dealer extends the terms of Jandy's original equipment warranty of 1 year by an additional 2 years to cover the costs of materials and labour incurred in the repair of such equipment, with a \$200 deductible payable by the pool owner in the 4th and 5th calendar years.

* This warranty extension pertains only to a pool equipment system that consists solely of Jandy products.

POOL LINERS

Pioneer Family Pools' liners are guaranteed to be free from original defects in workmanship and materials, and not to separate at the seams for as long as the original purchaser owns the pool. Should an original defect or seam separation occur, your Pioneer Family Pools Dealer will rectify the problem at their own cost, or offer a replacement liner in accordance with the following cost sharing schedule:

Year No. After Purchase Date	Dealer's Replacement Liner Cost Share
Year 1 & 2	100%
Year 3 & 4	75%
Years 5 to 7	40%
Years 8 to 10	25%
After 10 Years	15%

In addition, for pools installed by your Pioneer Family Pools dealer, the liner warranty covers 100% compensation for loss of chemicals and labour, for the first 2 years only.

GENERAL

These guarantees are in lieu of all expressed or implied. No representative or other person is authorized or permitted to make guarantees or to assume liability not strictly in accordance with the terms as shown on the Guarantee Certificate. This warranty is contingent on full payment of the original purchase price being made by the purchaser.

All guarantees or warranties are void if pool equipment is abused or if proper maintenance, installation and winterizing procedures are not followed or if the proper chemical care of the pool water is not maintained. All warranty claims must be submitted to your Pioneer Family Pool Dealer's Office, and must be accompanied by a duly executed original copy of the Pool Sale Agreement.

TRANSFERABLE

This guarantee is transferable by the original purchaser to one only subsequent purchaser of the property on which the pool is installed for a transfer fee of \$500 which must be paid to the Pioneer Family Pools Dealer within 30 days of the transfer of title of said property. Pioneer Family Pools retains the right to inspect each pool before the transfer of said warranty.

HAVE YOU CONSIDERED INNOVATION?

THE FUZION 5010 - THE MOST ADVANCED WALL SYSTEM FOR VINYL POOLS

4 MAJOR BENEFITS OF USING FUZION 5010 HIGHLY ENGINEERED REINFORCED COMPOSITE

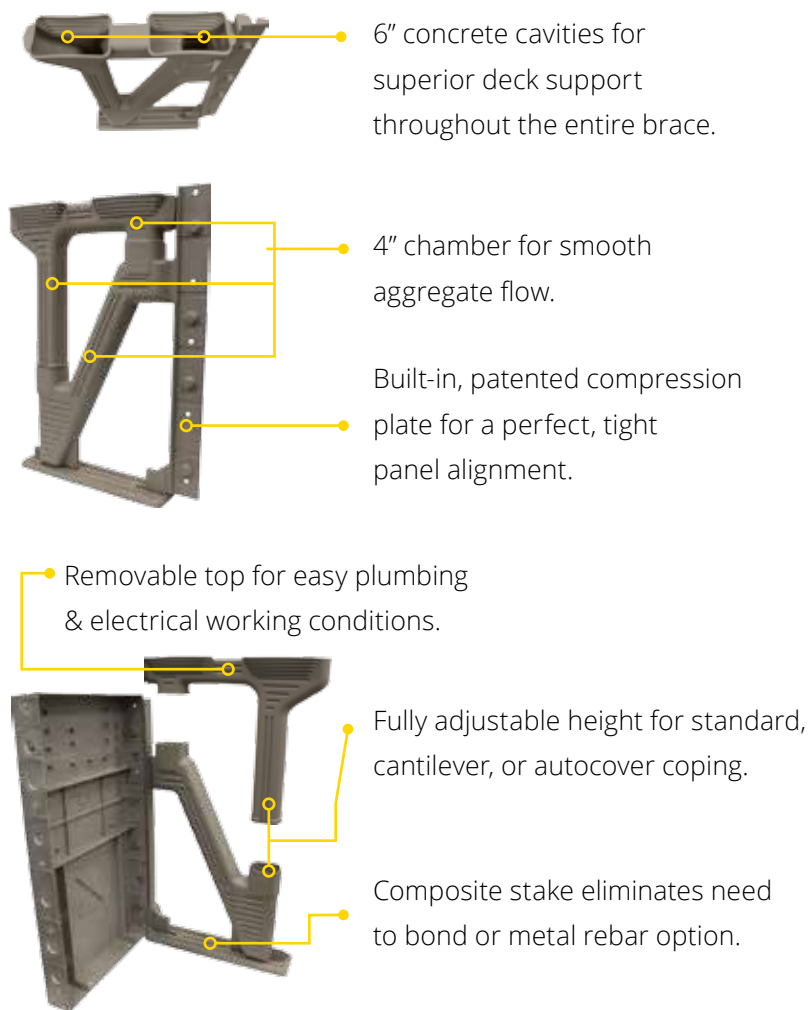

1	Design Versatility	Highly engineered reinforced composites can be molded to produce almost any shape desired-large or small, as well as simple or complex. Endless design possibilities with Fuzion 5010.
2	Dimensional Stability	Highly engineered reinforced composites maintain their shapes under intense mechanical and environmental stresses. Fuzion 5010 will maintain its shape permanently.
3	Unparalleled Strengths	Highly engineered reinforced composites designed to produce a wide range of impact, tensile, and flexural strength properties. Fuzion 5010 won't warp or deform, crack or shear regardless of soil or climate conditions.
4	Corrosion Resistance	Highly engineered reinforced composites do not rust or corrode, and offer various levels of chemical and environmental resistance. Fuzion 5010 will withstand acidic or any other corrosive elements in the soil.

Scientists, lab technicians, and product engineers together created Fuzion 5010 by combining advanced material technology with AutoCad Inventor 3D computer product design technology. Partnering in the development of the Fuzion 5010 retaining wall system.

ENGINEERED FOR A LIFETIME OF TROUBLE FREE USE

THE NEXT REVOLUTION IN POOL BRACING AND DECK SUPPORT

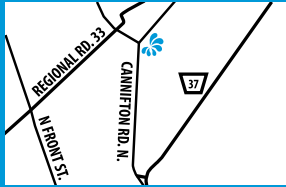

We are so confident of the Fuzion system that we offer a lifetime transferable warranty!
